As a doctor of medicine, I certify having examined and treated Mrs Florence Jarrier. She was suffering from a crisis of acute lower back pain treated by medications, manipulations of the spine, and re-education from January to October 1992. I issue this certificate upon her demand and hand it to her in person so that it can be used as entitled.

Paris, on April 26, 2005

Mrs Florence Jarrier has also been treated at the Raymond Poincarré hospital, in Doctor Patel's services.
