Doctor Serges BORNSTEIN (decorated with Legion d'Honneur medal) Psychiatric hospitals physician National expert 64 rue Amelot – PARIS phone 01 47 00 15 55

Neuropsychiatry

Registered number 75 1 20099 9

July 29th 2004

I undersigned certify having examined Mrs Jarrier Florence born October 2nd 1945 with whom I had a long consultation.

She mentioned a dispute concerning only her work and court trials to claim her rights. Today, I cannot see any psychological disorder in this lucid, and well informed, fit and balanced lady.

I issue this certificate upon her demand and hand it to her in person so that it can be used as entitled.
